

2 I am a digital citizen

Focus on the language of the digital world

LANGUAGE Draw a table in your notebook with these categories:

DEVICES

HARDWARE

SOFTWARE APPLICATIONS

SOCIAL MEDIA

SEARCH ENGINES

ONLINE THREATS

Now look at the words/phrases given in the box below and write them under the correct categories (four words each).

PowerPoint™ • Bing™ • computer • cyberbullying • Excel™ • Facebook™ • Google™ • hacking • identity theft • Instagram • keyboard • mouse/trackpad • Outlook™/Gmail™ • phishing • printer • Safari™ • screen/monitor • smartphone • smartwatch • tablet • TikTok™ • Twitter™ • Word™ • Yahoo™

How 'digitally literate' do you think you are?

Give yourself a mark for **digital literacy** on a scale from 0 ('Neanderthal') to 10 ('Super expert')

>> I'm a _____

READING Read the following text and choose the correct titles for sections 1-4.

Social skills • Digital security • Digital know-how • Critical thinking skills

We need to ask ourselves some questions about our skills in four key areas:

- 1 _____: Can we determine how true, authentic and useful the information we find online is?
- 2 _____: Do we know how to communicate correctly with others? Can we express our thoughts and ideas clearly, respectfully and efficiently using digital platforms and tools?
- 3 _____: Can we use digital tools to create, access and share digital information? Do we know how to make the best and fullest use of software and apps?
- 4 _____: Do we know and understand the risks of putting personal information, photos and videos online?
