

How to create a Book Box

- 1. Choose a Reader:** select a book that you want to explore further.
- 2. Gather items:** collect objects that relate to the story, such as toys, pictures or items mentioned in the story. Draw pictures or write a sentence and present your box to the class.
- 3. Prepare the box:** decorate the box to resemble the book's cover or theme.
- 4. Add items:** place the chosen objects inside the box.
- 5. Optional additions:** attach notecards with descriptions of the items and their connection to the book.

Show and tell time! Share your book box with your friends.
