

Act out the scene - Primaria

Activity: Bring the story to life with performance!

- 1. Objective:** Build confidence, encourage speaking, and improve comprehension through fun dramatization.
- 2. Choose a simple scene:** Select a short, clear scene from the Pearson English Readers.
- 3. Assign roles:** Let students pick characters (or animals!). Keep it playful and non-competitive.
- 4. Support with visuals:** Provide props or puppets and simplified scripts with key lines or repeated phrases. Practice pronunciation together.
- 5. Practice in groups:** Give each group 5–10 minutes to rehearse. Help them act with gestures and tone.
- 6. Perform for the class:** Each group acts out the scene. Applaud every effort—focus on fun and creativity, not accuracy.
- 7. Reflect together:** Ask: “How did it feel to be your character?” “What was the funniest part?”
