# Read to be happy

## Progetto lettura Pearson

### Perché leggere in inglese?

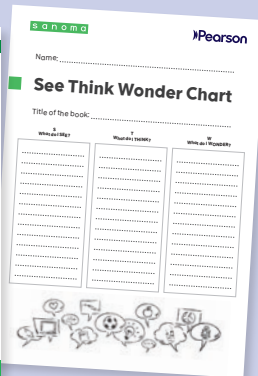

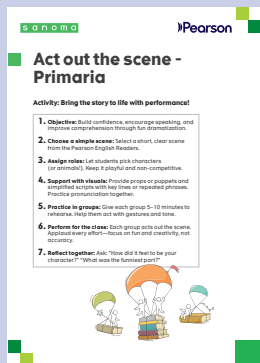

Leggere in inglese significa apprendere in modo naturale e coinvolgente, ed è una scelta educativa vincente per diversi motivi. Innanzitutto, favorisce un apprendimento efficace, arricchendo il vocabolario, rafforzando le strutture grammaticali e sviluppando le capacità di comprensione del testo. Inoltre, le storie rappresentano una fonte di motivazione autentica: accendono la curiosità degli studenti e creano un legame emotivo con la lingua, che va oltre i confini dell'aula. Infine, la lettura apre la mente a nuove culture, stimolando empatia, pensiero critico e una maggiore consapevolezza globale.

# Pearson Readers: il supporto ideale

Si tratta di un progetto di lettura accessibile, flessibile e ricco di contenuti, pensato per rispondere alle diverse esigenze di insegnanti e studenti. Le letture sono graduate e suddivise per età e livello linguistico, rendendole adatte a percorsi personalizzati sia in aula che per la lettura autonoma. I testi affrontano temi attuali, interdisciplinari e stimolanti, offrendo spunti di riflessione coinvolgenti. Il progetto è inoltre in linea con gli Obiettivi di Sviluppo Sostenibile dell'Agenda ONU 2030 (SDGs) e promuove lo sviluppo delle competenze legate al Social Emotional Learning (SEL).

Happy Reading!

# Intensive and Extensive Reading Programmes

I Pearson English Readers vengono spesso usati per due tipologie di lettura: estensiva e intensiva. Questi due approcci hanno scopi diversi e possono essere utilizzati insieme, in modo concomitante o complementare, per favorire lo sviluppo integrato del linguaggio.

## What is extensive reading?

Gli studenti leggono per divertimento, senza doversi fermare per concentrarsi su parole che non conoscono; leggono un gran numero di storie per aumentare le capacità complessive di lettura.

Pearson English Readers sono progettati per una lettura di tipo estensivo forniscono: una vasta scelta di titoli che coprono generi diversi, in modo che gli studenti possano scegliere libri che apprezzano maggiormente, e vengono incentivati a leggere di più; attività extra che consentono agli studenti di verificare il loro livello di comprensione del testo.

## What is intensive reading?

Gli studenti leggono in modo più dettagliato e analitico, si concentrano su testi e svolgono attività ed esercizi utili a migliorare la comprensione dei testi e sviluppare ulteriormente le loro abilità linguistiche.

Pearson English Active Readers sono progettati per una lettura di tipo intensivo, forniscono: il giusto livello di sfida per garantire una lettura piacevole unitamente a progressi nell'acquisizione della lingua; approfondimenti lessicali e attività grammaticali che favoriscono e valutano l'acquisizione del linguaggio e verificano il livello di comprensione di testo.

# Making reading accessible to all

I nostri Readers sono attentamente strutturati per livello, a seconda del numero di parole che compongono il vocabolario dei racconti e della difficoltà del linguaggio utilizzato. I livelli sono riconosciuti secondo standard internazionali, come il Quadro Comune Europeo di Riferimento per la conoscenza delle Lingue (CEFR) e la Pearson Global Scale of English (GSE). Sono inoltre allineati ai livelli delle più importanti certificazioni linguistiche, come il Pearson English International Certificate Young Learners (PEIC YL) e il Cambridge Young Learners Test (CYLET).
