> Riflessione sull'esperienza d'uso

Per creare questo piano di lezione ho seguito le indicazioni fornite dal primo modulo del corso, in particolare i suggerimenti relativi alla formulazione del prompt. Ho scelto la lingua inglese perché sono un'insegnante di Lingua Inglese in un Liceo delle Scienze Umane (tradizionale e opzione Economico Sociale).

Una volta stabilito cosa chiedere nel prompt, la realizzazione dello stesso è stata piuttosto semplice.

La prossima volta proverò ad usare Claude.
