

Integrate

Word of the month

a cura di Sarah Gudgeon

Edizioni gennaio 2025

1. Tick all the things you use to help you study.

1. mind maps
2. the Internet
3. a dictionary
4. Artificial Intelligence
5. a private tutor
6. the library

2. Which is your favourite study tool? Why? Max 50 words.

My favourite study tool is...

3. Complete the sentence with the word of the month.

Artificial Intelligence is a new tool that students can _____ into their study programmes.

When you integrate something, it means that you add it to something that already exists. That means that you can add Artificial Intelligence to your study programme but you cannot replace study with AI.

4.a What can you integrate into your study programme to make it better?

Write 3 things.

4.b. Ask the question to a partner and write their answer here.

Partner's name:

The three things they want to integrate into their study programme:

Teacher's Notes

1. Answers may vary.
2. Sample answer: *My favourite study tool is the Internet. It helps me to brainstorm new ideas and gives me links to new resources that I can read.*
3. Artificial Intelligence is a new tool that students can integrate into their study programmes.
4. Answers may vary.
